

## APPLICATION FOR BURSARY

We are offering 15 bursaries of **€300** to Early Career participants to assist in covering conference and pre-conference workshop expenses for our 2022 conference being held in Tallinn (Estonia) 28<sup>th</sup> – 30<sup>th</sup> September 2022, including the pre-conference workshops being held on 28<sup>th</sup> September.

Please note that bursaries will be paid shortly **after** the conference. If you would like to apply for a bursary please complete [this form](#) by **Friday 15<sup>th</sup> July**.

Check the [EUSPR conference website](#) for more information about the conference and pre-conference workshops.

### Eligibility criteria

- 1) Bursaries are available to researchers, practitioners, and policy-makers working in the prevention field who meet the eligibility criteria below. Please read these carefully before applying.
- 2) Bursaries are only available to **early career participants**. For the current call, “early career” includes those who entered the prevention field through first job or commencing doctoral studies from 1st January 2014 or later; as well as current Masters and Doctoral students in a prevention-related discipline.
- 3) Bursaries are available for **EUSPR Members only**. If you are not yet a member but you are eligible for a bursary, you are required to register as a member. The bursary will not be paid if the recipient is not a member of the EUSPR on the first day of the conference. Please do not apply for the bursary if you do not intend to become a EUSPR Member as this would be unfair toward other applicants.
- 4) You will be asked to sign a registration form to prove **attendance at the conference**. The bursary will not be given if the recipient fails to attend the conference events.

You may be asked to contribute to small administrative tasks at the conference, such as helping with registration, stewarding, or poster session organisation. These tasks will not interfere with your attendance at conference sessions.

### Supporting information:

1. Please declare where you expect to make up the extra funding required for attendance (e.g. co-funding from your institution)
2. Please include an electronic copy of your CV (1-2 pages maximum)
3. Please include a short letter of confirmation which clearly states that you fulfil the criteria of being Early Career (e.g. signed and scanned letter from supervisor or administrator)
4. Please indicate if you intend to submit an abstract and present at the conference (poster, oral communication, Pecha-Kucha, I do not intend to submit an abstract)?
5. Please indicate if you have attended the EUSPR conference previously? (Yes; No)
6. Please describe in up to 150 words your motivation to attend the conference/workshop
