BOOK EARLY!

In Cremona, September is considered high season as it is a very busy month for the city. A sufficient number of rooms have been reserved for conference participants at the four hotels listed on the following pages. However, **room availability is guaranteed until 30 April 2024**, with the possibility of an extension to 31 May 2024, if a sufficient number of rooms are booked. For this reason, we strongly encourage participants to **make their reservations early**, using the code EUSPR2024 and/or mentioning that they are attending the EUSPR conference.

Please note that the **last day of the conference** - September 13 - is scheduled to end at approximately 12:30-1.00 pm. This means that it may be **difficult to catch a flight from one of the Milan airports on that day**. We suggest that you use this opportunity to visit Cremona or Milan and leave the next day.

For any further inquiries, feel free to **contact the organising committee**
