

Templates for EUSPR conference submissions:

These templates can be used to prepare the abstracts for online submission. The interface of the online submission tool will provide instructions for the submission process, but we recommend preparing a structured abstract beforehand.

IMPORTANT: Abstracts that do not adhere to the proposed structure, or that declare conflict of interests which might affect the objectivity of research by the scientific committee's assessment, may be rejected.

Oral communication / Poster

Title: Template for the EUSPR conference

Authors (with titles): Dr. Samuel Tomczyk¹, Victòria Romero²

Affiliation(s): ¹University of Greifswald, ²University of the Balearic Islands

Presenter/Corresponding author: Samuel Tomczyk

Contact details: email@email.com

Main text (250-300 words)

Background: A brief description of the theoretical and empirical background and the key aims of the submission.

Methods: A brief description of the methods used (e.g., qualitative, quantitative methods).

Results: A brief description of the main findings.

Discussion: A brief discussion of the main findings, challenges, and implications for prevention research, practice and/or policy.

Other information

Conflict of interest: Please indicate any potential conflict of interest. This may include industry sponsorship (e.g., <https://pmc.ncbi.nlm.nih.gov/articles/PMC4596167/>).

Campfire

Title: Template for the EUSPR conference

Authors (with titles): Dr. Samuel Tomczyk¹, Victòria Romero²

Affiliation(s): ¹University of Greifswald, ²University of the Balearic Islands

Presenter/Corresponding author: Samuel Tomczyk

Contact details: email@email.com

Main text (250-300 words)

Please provide a structured abstract, **see template for Oral communication / Poster.**

Other information

Campfire Session Design: Please briefly describe how you plan to organise and facilitate the Campfire session (e.g., structure of the discussion, strategies to engage participants, any material or activities you intend to use). Note that just like a group of people sitting around a campfire listening to someone tell a story, a campfire session at a conference is an informal way of presenting and discussing topics with meeting attendees. It encourages the audience to 'set the agenda' by posing questions and discussion topics. Campfire sessions are designed to be interactive and discussion oriented. Traditional PowerPoint-style presentations are therefore not recommended.

Conflict of interest: Please indicate any potential conflict of interest. This may include industry sponsorship (e.g., <https://pmc.ncbi.nlm.nih.gov/articles/PMC4596167/>).

Symposium – a collection of minimum 4 oral communications (=1h session) and a maximum of 6 oral communications (=1.5h session) with a common theme.

Title of the symposium: Template for the EUSPR conference symposium

Symposium chair (one person): Victòria Romero¹

Affiliation(s): ¹University of the Balearic Islands

Presenter/Corresponding author: Victòria Romero

Discussant (optional): Samuel Tomczyk

Contact details: email@email.com

Main text (250-300 words)

Description of the symposium:

Brief introduction of the symposium, background, aims, and overview of the presentations and their connection to the symposium theme.

And for each presentation included in the symposium:

Please provide a structured abstract following the Description of the symposium, **see template for Oral communication / Poster**

Pre-Conference Workshop / Project Meetings

Title of the workshop/project meeting: Creating templates for the EUSPR conference

Pre-conference workshop / Project meeting facilitator(s): Samuel Tomczyk¹, Victòria Romero²

Is the main facilitator a EUSPR member? Yes/No

Affiliation(s): ¹University of Greifswald, ²University of the Balearic Islands

Contact details: email@email.com

Main text (250-300 words)

Background: A brief description of the background and the key aims of the workshop.

Methods: A brief description of the methods used (e.g., group discussions).

Results: A brief description of the expected findings.

Discussion: A brief discussion of the implications for prevention science and practice.

Other information

Duration: Please specify if it is a half-day (3 hours) or a full-day workshop (8 hours including breaks). Please note that coffee breaks and a lunch break will be scheduled during the day and the workshop must adjust to them.

Expected number of participants: Please tell us an approximate number of participants.

Materials: Please indicate if participants are supposed to bring specific materials (e.g., prepare abstracts) to the workshop and which materials you need to conduct the workshop (e.g., cards, pens, pins) so we can discuss this ahead of time.

Conflict of interest: Please indicate any potential conflict of interest. This may include industry sponsorship (e.g., <https://pmc.ncbi.nlm.nih.gov/articles/PMC4596167/>).
